The screenshot shows a web application interface for editing bulk tank results. At the top, there is a breadcrumb trail: < / Milk / Bulk tank. Below this is a navigation bar with tabs: General milking, Pre-milking, During milking, Post milking, Collect cows, Milk access, Prices, Bulk tank (highlighted), and Milk sampling. A table below the navigation bar shows data for a specific collection: 2022-10-29 00:00, with values n/a for % Fat, % Protein, % Lactose, SCC, and FFA. Below the table is a red 'Bulk Tank Edit' modal form with a close button (X). The form contains several input fields: Date (29-10-2022), Hour (00:00), % Fat, % Protein, % Lactose, SCC, and FFA. At the bottom right of the form are 'Cancel' and 'Apply Changes' buttons.
